

	<p>breastfeeding issues E Establishes standards for breast pumps</p> <p>We have similar state bills (in House and Senate)</p>	
Future meetings	<p>October 14, Penn State, State College</p> <p>January 27 phone conference</p> <p>April 21 Somerset Hospital, Somerset</p>	Exact same directions and room
Membership for 2009-2010	<p>Add e-mail and organizations member belongs to (for state data base) to application. Also discussed giving permission to make info public.</p> <p>Megan cleaned up e-mail address list 6 months ago. We do have a clean list.</p>	<p>Decision to keep membership application as is. Next year these will be added to application so as to update database since database is just new this year.</p> <p>Create your own list from Cynthia's recent mailing</p>
Additional members to be added to the Executive Committee	<p>Kay to take charge of this</p> <p>Chris asked for job description</p>	<p>Let Kay know if interested. Decision will be made at October meeting</p> <p>Cynthia explained that membership in the executive committee dealt with guiding the coalition on immediate action issues between meetings</p>

<p>Mailing address</p>	<p>Mail getting held up in Wilkes Barre which is ok with the Coalition, but Andrea Schappert would like it changed as she is not in position to watch over it.</p> <p>Is it a problem changing the address every 2 years? Kay</p> <p>Get a PABC PO Box (institution or individual) Chris Judy thinks it's \$12/yr</p> <p>Executive committee to change all places address needs changed.</p>	<p>Judy to open PO box under PABC in same place she gets her own mail Unanimously approved</p> <p>Change will not be made until State mini grant invoices sent out probably by Oct meeting</p>
<p>Web site management</p>	<p>Content to be submitted to web master</p> <p>Need for web site subcommittee to decide what goes on the site, what does not</p> <p>Judy suggested Pay Pal to collect dues. Web site could contain membership list.</p>	<p>Leslie to collect list of things that people would like on web site.</p> <p>Web site subcommittee formed: Leslie Cree, Nellie Wiancko, Ruth Wilf</p>

<p>In kind donation</p>	<p>Is income in kind to be noted on receipt? Needed for personal income tax.</p>	<p>Contact Barb if you want that.</p>
<p>Business Case for Breastfeeding Chris Mulford</p>	<p>Federal grant received to Train the Trainer \$10,000.</p> <p>2-day training for 30-50 people Cont ed for lc and sw</p> <p>After the training, we use the \$10,000 to implement.</p> <p>Chris is presently working with a Steering Committee of 13 people</p> <p>September Brochure about finished as of this morning</p> <p>Grant includes funding for 2 Coalition members to attend. Can we change that to provide mileage for more attendees?</p> <p>Chinese banguet being arranged</p> <p>How many people from each county? Nothing</p>	

	set about this yet.	
Governor's Proclamation 2009	Approved this am.	<p>Barb and Martha responsible</p> <p>To be placed on web site before end of month</p> <p>Dawn will send e-mail that proclamation is on web site when she receives it</p>
Abstracts for USBF	<p>Ruth: Can we make a presentation on how we worked with the PAAAP on the data base?</p> <p>Cynthia and Judy wondered what the Committee is looking for? We are spinning our wheels.</p> <p>Breakfast presentations are 75 minutes?</p> <p>We get 2 people to go paid for by CDC. Last time one from AAP and one from WIC</p> <p>Kay says someone should go who knows how the database works and the practical outworkings. Judy glad to present it.</p>	<p>Subcommittee to work on this today. Judy in charge of mobilizing this.</p>

	<p>Dottie Schell says national AAP wants 3 part presentations. Frame it as a partnership with AAP or individually?</p>	
<p>Department of Health funded Resource List project</p>	<p>Cynthia reported on PABC and AAP database project</p> <p>Can people still submit information to the data base? They should submit to WIC and they will make changes</p> <p>Kay: Should we get county representatives to keep gathering information. Martha says the WIC people do this. Iris says she will have master. No one else will be able to make changes</p> <p>How will we get access to the database?</p> <p>Is a draft available to look at?</p>	<p>By June 30 the AAP was still working on merging the 3 pieces of the database. It will then go to Martha Kautz</p> <p>Use Cindy Maki's e-mail address after September.</p> <p>Martha said WIC and DOH will work on this together.</p> <p>Once on web site, Cynthia will notify everyone when and where so everyone can proof their area.</p>

	<p>Chris' Business Case for Breastfeeding registration through WIC, too.</p> <p>Next step Ruth: now how do we use this list to communicate with people in the state to improve breastfeeding?</p> <p>Tracy (from Medela) talked about how hospitals she works with use the WIC list now.</p> <p>Anyone can access information by county through link on web site.</p> <p>Martha said there are web site cards to hand out letting people know about this resource</p> <p>Ellen and Megan perceived there were issues that those interviewed were interested in: continuing ed and networking for support</p>	<p>This is what subcommittees should be working on today.</p> <p>Suggestion that PABC could set up google account that can be accessed by PABC person or a copy so PABC can help get information out.</p>
